# Client Testimonies

*'We loved having our wedding at Ivy Hall! From our initial emails with Tim and Scott through the planning process and the actual event, everyone (particularly Scott -- give that man a raise!) was so helpful. We chose Ivy Hall partially because we loved the idea of a beautiful outdoor venue, and partially for Tim's food, and neither disappointed. The space is super flexible, so you can pretty much tailor it to your needs.'*

*"My partner and I hosted 160 people at Ivy Hall for our wedding on April 22, 2023. The team at Ivy Hall absolutely knocked it out of the park! At each step along the way - from planning more than a year out up to the day of the wedding - the staff was responsive, easy to get along with, and genuinely helpful. They went above and beyond to deliver an amazing and unforgettable day. From a planning perspective, we appreciated that Ivy Hall has the space to host all parts of the wedding - from the ceremony to the reception, dinner, and dancing."*
